The Small Print - Terms & Conditions Bookings Christmas 2023

- We require a non-refundable deposit of £10.00 per head to secure all bookings, within 7 days of confirmation.
- The outstanding balance and pre-orders must be received no less than 2 weeks before the party.
- The party organiser must collect all deposits and balances for the party.
- We do not accept part payments or part pre-orders.
- We strongly advise the party organiser to list each person's name and order on the pre-order form provided to ensure the party booking goes smoothly and no guest is left without a meal or wrong choice.
- Although we do have a large car park, space can become limited during busy periods. If you are able to car share or use Taxis or Public Transport that would really help and also it's better for the environment.

Thank you.
